Please give us some information on the breeding stock involved:
Breeding stock with Oldenburg origin (name and/or life-number)

Breeding stock, non-Oldenburg origin (possibly a photocopy of breeding certificate)

☐ breeding stock has already been presented at:

☐ please fix an appointment for presentation at: _____

With my application for active membership I accept, that all female breeding stock will be registered in the year of conception. Even though it is possible to inspect the mare beside the foal, the annual fee for the mare will be charged from the year of conception. (annual fee per mare on active register is 30,00 Euro)

All active breeding stock will be charged an annual fee. Breeding stock, that will not be used for breeding the following year, may be deactivated. Changes in number of active breeding stock have to be reported in writing to the Society by December 1st each year. Deactivations missing this date will be charged for the following year!

All active breeding stock is charged for service each year.

All events of the society are open to participants from outside Germany.

With my signature I agree with the rules, fees and service of the Society.
